

2019 Membership Renewal Form

Annual NCBCC membership dues are due **for 2019**. Membership dues help finance the Club's programs and activities for the calendar year.

There are two levels of membership - **Social** and **Active**:

***Social Membership:** Designed for those individuals principally interested in receiving the Club's newsletter and occasional participation in Club events. Social members are invited to participate in all club activities. You will not count into the membership for the purpose of a quorum and will not be able to vote on Club business matters. If you are not going to attend at least three meetings per year, this level of membership is suggested.

***Active Membership:** Designed for those individuals interested in participating fully in the Club's functions and assisting in the conduct of the business needs of the Club. You will be counted for the basis of establishing a quorum and will be entitled to vote on business matters of the Club. If you are available to attend three or more meetings per year and interested in sharing the duties/requirements of the Club's activities, active membership is suggested.

Dues (please check or mark with an X the membership level you select):

_____ \$20 for Social Membership (Single or Family)

_____ \$20 for Active Single Membership

_____ \$25 for Active Joint Membership

_____ \$20 for one Active and one Social

Member Name(s): _____

Address: _____

City: _____ State: _____ Zip: _____

E-mail: _____

Phone Number: _____
